Practice Smarter as an ICLE Partner

Every lawyer knows it. Not staying current can lead to costly mistakes. But keeping up with the latest legal developments can be challenging—and time consuming—if you go it alone.

An Easier Way to Stay Up to Date
We’ve all done it. Spent countless hours researching the latest legal developments. Gone down endless rabbit holes curating information from Google, listserves, law reviews, legal newsletters, and more.

No wonder 77% of lawyers working outside of business hours do so to catch up on work.*

Let Us Do the Heavy Lifting for You
Follow the lead of 12,000 other successful Michigan lawyers. Turn to the Partnership’s online resources for trustworthy updates, whenever you need them.

“The Partnership is very helpful to my practice.”

A SMARTER WAY TO GET CURRENT INFORMATION

“We’ve all had the scenario where we’re filing or defending a case where we’ve perhaps not touched that area of law in a while. We generally know what the law is, but we want to make sure that we have the most current information. When that happens, the first thing I’ll do is go to the Partnership’s online books and quickly review that segment to make sure that the precedent I have previously used has not changed.”
